

An Angel Among Us

P.A.W.S. wishes to thank Mrs. Teresa Kara (pictured) of Chew On This Dog Barkery in Frankfort for the never-ending kindness she has shown to P.A.W.S. over the years and now to Bentley, a P.A.W.S. alumni.

Bentley (formerly Soco) arrived at the shelter in July as a stray dog. Shelter workers noticed immediately that Bentley had something terribly wrong with his back leg and rushed him to the emergency vet. After an exam and x-rays, it was decided that the only thing that could be done was to amputate his rear leg.

Teresa Kara got wind of his condition and without hesitation, offered to purchase a \$700.00 wheelchair for Bentley to enable him to exercise his remaining back leg and to help him get around a bit easier. After a few adjustments and a little practice, Bentley was off!

Bentley may have a disability, but he has two guardian angels looking out for him; Teresa Kara and his foster mom/new mom Terri Buckley, who fostered Bentley after his surgery and knew immediately that he had found his forever home.

We cannot begin to thank Teresa for everything she has done for the shelter because there would be no ending!
