

Tag Days 2011

5 weekends, 115 dedicated taggers and a few pooped canines, but it was worth it! Tag Days 2011 raised a whopping **\$36,000.00** for our canine and feline friends!

With so many people to thank, it's hard to know where to begin, so we will start in the trenches... our dedicated group of taggers, some veteran, some new

that hit the pavement with just one goal in mind - to make things better for our animals.

A huge thank you is extended to the following stores for kindly providing us the opportunity to solicit donations outside their businesses: **Jewel-Osco** stores of Tinley Park, Frankfort and both Orland Park locations, **Dominick's**- Frankfort, **Brookhaven Market**-Frankfort, **WalMart** - Orland Hills, **Walt's Food Center** - Tinley Park, **EuroFresh Market** - Tinley Park and the **Village of Tinley Park** for allowing us to solicit at area intersections.

Our Top Tagger this year was **John Dillon** who raised **\$268.00** in a single 2 hour timeslot! Special mention goes out to **Carla Gianetti & Penny** for tagging numerous times and filling in for cancellations at the last minute!

We had a "Secret Santa" at many of our locations too this year! Our taggers at Walt's in Tinley Park were given \$50 dollar bills their containers each morning by the same person. In addition \$100 bills were given to taggers at Jewel in New Lenox. God bless you - whoever you are!

A helping 'paw' was lent by more than a few of our canine friends this year. Pictured below is Blue (a P.A.W.S. alumni) who was out turning on the charm for his less-fortunate shelter friends.

A special thank you is sent to Ms. Cristina Reed of Graham Packaging in West Chicago for kindly donating our beautiful new collection canisters.

And finally, our donators, who recognize the love and beauty that lies within our walls...thank you. Thank you for reaching out during these difficult economic times and sharing what you have. 37 years and 21,000 animals later, we are still going strong because you believe in us.

Volunteer Lucy Nilges aided by her husband and Blue - a shelter alumni!
