Dog Adoption Questionnaire

Thank you for your interest in adopting! You will be making a long-term commitment to the dog or puppy you choose to adopt (average lifespan is between 10-13 years). The following information is designed to help us assist you in finding the most compatible companion for your lifestyle and determining if the adoption is in the dog/puppies best interest. We reserve the right to refuse any adoption. We require adopters to be 21 years or older. We limit adoptions to a 50-mile radius of the shelter.

The adoption donation helps us cover the cost of the spay/neuter, current vaccinations, microchipping, viral testing, and temporary boarding of your new dog or puppy.

ADOPTION DONATION:

Puppies (6 months & under): **\$300**

Dogs (over 6 months): **\$250**

Senior dogs (over 7 years): **\$125**
